

**Tradewinds Estates MHP, 6778 Tucelnuit Dr., Oliver.** At the lights at 350 Ave., turn left onto 70<sup>th</sup> Street and go over the river bridge and follow 79<sup>th</sup> Street and then turn left onto 71<sup>st</sup> Street. Go past 370 Ave., on the left and take the next left turn into the park. Driving from Penticton you would turn left before the river bridge on to Luc Ui Nuit Rd. This becomes Tuc El Nuit Drive or 71<sup>st</sup> Street. Then you would turn right into the park after the curve to the left. It appears to have 52 units in this 55+ park. This park has a P&DMHOA Director and also a Park Rep who lives at Unit#9 and she also delivers the Association Newsletter in the spring and fall, usually April and October.
